NEW!

Introducing the Black Magic™ MINI-CELL^ CHILLCEL® pads

Our revolutionary **Black Magic™ Mini-Cell^ Chillcel® pads** have transformed the aesthetics of our coolers as they seamlessly blend into their surroundings; maintaining our global leading Mini-cell^ Chillcel® pad technology, which increases surface area of the pads by 25%, dramatically multiplying cooling capacity and efficiency -

BEYOND BELIEF!

^Patent pending

Save with Coolair

Save up to \$235 per year in running costs compared to a ducted reverse cycle system*

Running costs for whole of home air conditioning

*Seeley International's calculation based on approximate running costs figures from publically sourced data. Comparison with 2 star not zoned ducted refrigerative system in a large size (220m²) 2-star pre 2005 house in a Melbourne climate, cooling all day on the weekend and in the morning and evenings when internal temperatures are high, and an electricity tariff of 31.9c/kWh. Water cost excluded.

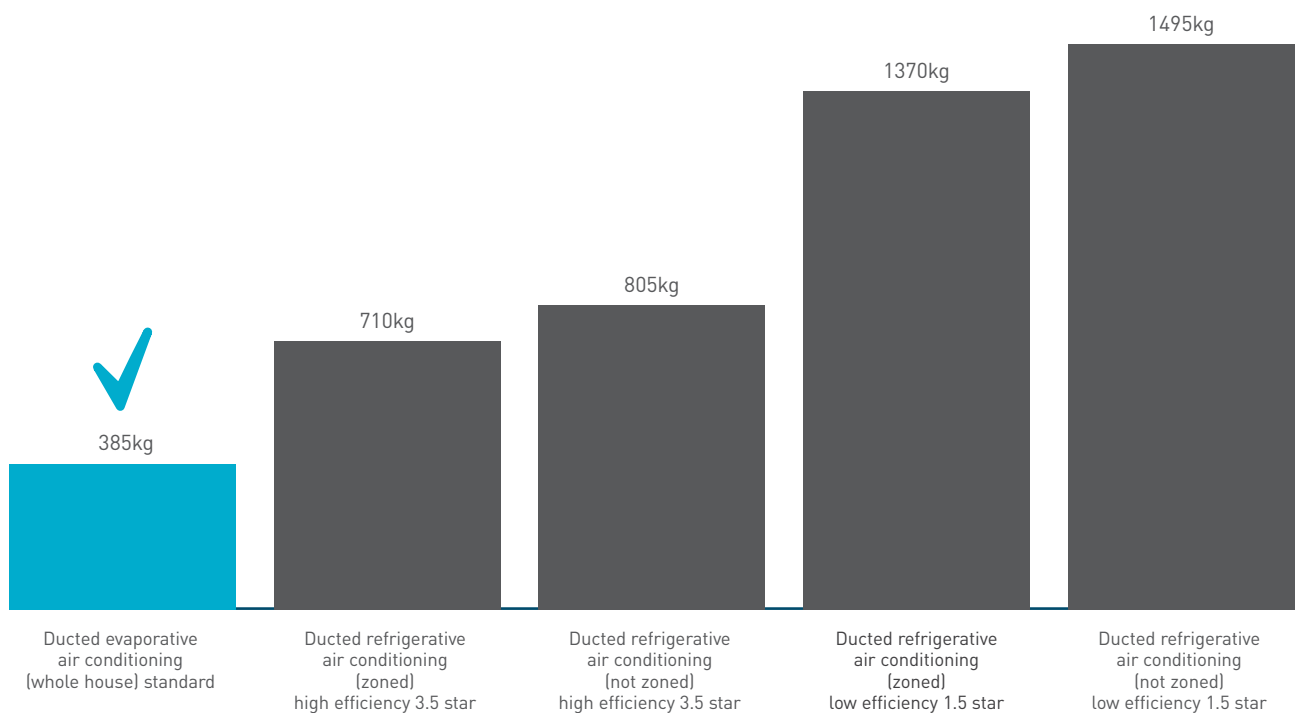

Better for the environment

Save up to 75% of CO₂ emissions compared to a ducted reverse cycle system*

CO₂ emissions for whole of home air conditioning (kg/yr)

*Seeley International's calculation based on approximate running costs figures from publically sourced data. Comparison with 2 star not zoned ducted refrigerative system in a large size (220m²) 2-star pre 2005 house in a Melbourne climate, cooling all day on the weekend and in the morning and evenings when internal temperatures are high.

MAGIQTOUCH[®] Controller

Touch screen technology

Smart, sophisticated and incredibly intuitive, your MagIQtouch[®] controller makes operating your Coolair a breeze. Control the temperature, fan speed and many more features on a user friendly touch screen. Discreet and modern design will blend seamlessly into the décor of your home.

MAGIQTOUCH[®] controller

Can be Wi-Fi enabled for use with our smart app and smart home integration[^]

MAGIQTOUCH[®] Radio Frequency controller

Use the latest in Radio Frequency (RF) channel hopping technology with no need for wiring

Main Features

Program Mode

Programmable 7 day, 4 time period program, customisable to suit your lifestyle (including a temporary over-ride function).

Useful Settings

Access features such as child lock, quiet mode and servicing information.

MAGIQTOUCH®

Wi-Fi SMART APP*

Control your cooling comfort needs directly from your mobile device! For example, turn on your cooler wherever you are, ensuring you come home to a cool home on those hot summer days. The smart app is free and available for download on your smartphone.

SMART HOME INTEGRATION*

Control temperature and fan speeds with your voice through Amazon# Alexa and your Google Assistant* technologies. Voice commands are easy and simple to use, like "Alexa, turn on my Cooler" or "Hey Google, set the Cooler to 21 degrees".

Available for download now on iOS and Android

Google Home

amazon echo

*Requires MagIQtouch® wall control, MagIQtouch® Wi-Fi smart kit and MagIQtouch® account to operate.

*Requires Wi-Fi, Google Account and a compatible device. Google and Google Home are trademarks of Google LLC.

*Requires Wi-Fi, Amazon Account and a compatible device.

Coolair ducted evaporative cooling

Features and benefits

Exceptional water distribution increases cooling effect

Coolair's unique patented water distribution system means no clogging and no dry spots on the filter pads.

- Clever high efficiency pad wetting system
- Total pad saturation for total cooling
- High performance cooling day and night

Tornado® pump that won't block

- Australian designed and manufactured
- Built to outlast other less efficient conventional style pumps
- Dual directional – it can't block!

Stealth® fan is whisper quiet

- Advanced aerodynamic design
- Super quiet in operation
- Produces a constant, cool, quiet and refreshing breeze at a fraction of alternative running costs

Breakthrough Black Magic™ MINI-CELL^ CHILLCEL® pad technology

- The only evaporative cooling medium of its kind. Fully manufactured in Australia to address the harsh Australian climate. It's an **absolute out-performer!**
- Exclusive small cell design provides cutting-edge cooling capacity.
- Maintains our global leading Mini-cell^ Chillcel® pad technology, which increases surface area of the pads by 25%, dramatically multiplying cooling capacity and efficiency - **BEYOND BELIEF!**
- **Black Magic™ MINI-CELL^ CHILLCEL® pads** deliver transformational aesthetics to your home enabling the unit to blend seamlessly into its surroundings.

AutoWinterseal™ reduces draughts and dust

- Automatically closes off the air conditioning ducts when not in use
- Reduces winter chills entering your home
- Ensures comfort all year round

Highly durable and non-corrosive outer casing

- Visually discreet, low profile
- Integrates unobtrusively with the roof line
- High performance Permatuf® polymer construction
- Highly durable, will not corrode or rust
- Available in a range of contemporary colours

Auto water draining keeps your system clean (optional)

- Reduce the need for seasonal maintenance with this optional feature*
- This clever device conserves water by retaining the system's water for up to 72 hours of non-operation

Flexible control with MagIQcool®

- The Coolair MagIQcool® controller is incredibly easy to use
- Set your preferred temperature level on the clever wall mounted control and Coolair will do the rest - quickly, cleanly and reliably
- Maintain your desired comfort level with four convenient modes to choose from - cool, vent, auto and timer

Optional extra: MagIQtouch® Controller Touch screen technology

*Regular maintenance (typically every two years for domestic use) is still required.

Coolair specifications*

*Colours may vary. Terracotta made to order.

Model	Dimensions			Operating weight	Nominal motor power	Cooling capacity	Airflow	Controller	
	Length	Width	Height					MagIQcool®	MagIQtouch®
	mm	mm	mm	kg	W	kW	L/sec		
CPQ 450	1150	1150	685	78	340	8.0	1570	Yes	With upgrade
CPQ 700	1150	1150	685	79	430	9.5	2000	Yes	With upgrade
CPQ 850	1150	1150	835	87	600	11.8	2560	Yes	With upgrade
CPQ 1100	1150	1150	835	89	750	13.3	2710	Yes	With upgrade

The above data was drawn from Meridian Test Laboratory's test analysis. The testing was performed by a NATA accredited laboratory to the requirements of the Australian standard AS2913-2000 "Evaporative Air Conditioning Equipment." Achievable with ambient 38°C DB, 21°C WB, room temperature 27.4°C.

Looking for a combined cooling and heating solution?

Seeley International's range of products also includes ducted gas heating that complements your evaporative air conditioning system. Take advantage of controlling your cooling and heating systems from the same controller – the innovative touch screen **MagIQtouch® controller**. Ask your dealer for the right solution for your home.

Keep your home secure

Did you know you can cool your home without leaving your doors and windows open?

Ask your dealer about installing a cost effective and easy to install **Security Relief Vent** in your home, allowing you to run your evaporative air conditioner while you are out, with all your windows and doors safely closed and locked.

Your home will stay cooler as cooled air is released into the roof space. When you return home, simply open up your windows and doors as normal, maintaining the fresh cool air throughout your home and open living areas.

Comprehensive Warranty

For complete peace of mind, Coolair backs every one of its air conditioning systems with an industry leading comprehensive warranty program.

This includes a comprehensive 7 year warranty* (with a compulsory chargeable service in the fourth year), 10 year cover on all structural components, plus a hefty 25 year cover against corrosion, on its Permatuf® cabinets.

Please refer to your home owner's manual for all service and warranty terms and conditions.

Register your warranty and go into the draw to win \$500 worth of prizes*

Prize includes 2 free services (up to the value of \$400) and a \$100 eftpos gift card

All you need is your home owners' manual.

Visit seeleyinternational.com/warranty and follow the prompts.

Have your serial number ready.

*Terms and conditions apply. See seeleyinternational.com for more information, including the dates of the promotion

Coolair national service network

Seeley International has an established network of highly professional dealers and service agents throughout Australia. To book a service visit seeleyinternational.com/service or call 1300 650 444.

*The 7 year comprehensive warranty is available exclusively (i.e. only) from Seeley International participating dealers. The warranty has terms and conditions, including the requirement for servicing of the product in accordance with the owner's manual. In the fourth year the service must be performed by Seeley International or its appointed nominee.
