

Sapphire

Gas Flame Fire

Rinnai

Relax with Rinnai.

Relax in warmth and comfort with this gem.

The stylish and versatile Sapphire has been given a beautiful, new look. The Sapphire now includes a new log set that provides a fresh and improved flame. The aesthetic quality of the burner box has also been improved and now includes ceramic liners, making the Sapphire even more visually appealing. This subtle improvement to the Sapphire maintains the inviting, cosy warmth of an open fire, but without all the bother that goes with it. With inbuilt and freestanding options available, the Sapphire Gas Log Fire is designed to enhance the feel of any living area.

Features and Benefits

- > High 4.2 Star energy efficiency*
- > Powerful 6.97kW heat output suitable for heating large open plan areas
- > Updated log set that provides a new and improved flame picture
- > Instant heat source with the ambience and glow of flickering flames
- > Inbuilt and freestanding models
- > Easy to use remote, with room temperature display and flame control
- > Available in 5 stylish fascia options – stainless steel on black, stainless steel, black, classic silver or classic bronze
- > Stylish glass dress guard for protection

Purchasing your Sapphire

Your Rinnai stockist will be able to assist you with the correct selection, however below is an overview of how each fire is supplied:

With each Sapphire model, the engine and the fascia are ordered and supplied separately. Additionally, other components are also supplied separately, depending on the model selected.

Inbuilt - existing fireplaces	No additional components usually required. Optional flexliner flueing if chimney is not sound
Inbuilt - false fireplaces	Additional Zero Clearance Box & flue components depending on the installation location
Freestanding - floor mounted	Additional Console Kit & flue components depending on the installation location
Freestanding - with plinth	Additional Plinth Kit & flue components depending on the installation location

*When using short flue.

<i>Warranty</i>	<i>Heat Exchanger</i>	<i>Fan</i>	<i>All Other Parts</i>	<i>Free Labour</i>
Domestic Use	10 years pro rata ⁽¹⁾	2 years	1 year	1 year
Commercial Use	1 year on all parts and labour			

Please note: For full definitions of Domestic and Commercial use, along with other conditions and exclusions, please refer to www.rinnai.com.au
⁽¹⁾ Full replacement cost in the 1st year, reducing 10% per year thereafter. 240V power is required on all models. A power cord and plug is fitted. If hardwiring is required, consult a licensed electrician. ⁽²⁾Dimensions are subject to production tolerances and may vary slightly from those given. Rinnai Australia Pty Ltd reserves the right to make modifications and change specifications without notice. # Refers to the visual appearance of the appliance external to the wall for inbuilt models.
